

# AirVantage<sup>®</sup> Managed Solutions: Broadband Access

Delivering stress-free and reliable  
wireless connectivity service

MANAGED SOLUTIONS: BROADBAND ACCESS

A cost-effective,  
business-critical network  
management service,  
made easy.

The AirVantage Services portfolio provides Managed Solutions for Broadband Access with no upfront equipment purchase cost, guaranteed 99.9% uptime, all under a single vendor for one point of accountability. The offerings include:

### Essential

This simple and hassle-free offering is designed for companies looking for a cost-effective primary or backup cellular solution for systems like back-office operations, inventory management and HVAC controls.

### Premium

This enhanced offering includes all the features of Essential along with proactive monitoring, a 5 tier service level agreement service level agreement and professional installation. This offering is designed for mission-critical applications like point of sale terminals, security monitoring and medical systems.

## Advantages of Managed Solutions

Our AirVantage Managed Solutions takes the stress out of managing your internet access so you can focus on what matters most: managing and growing your business.

MANAGED SOLUTIONS: BROADBAND ACCESS

### COST EFFECTIVE

- Managed Solutions flexibility means you can rent service on a variety of service terms as your business requirements dictate.
- Cross carrier pooling reduces your cost vs. managing varying carrier pricing and contracts.

### UNIQUE SERVICE LEVEL AGREEMENT

- Using our hardware and software means timely security and firmware updates.
- Our team of friendly wireless experts are available 24/7/365 to help you solve any concerns you may have quickly and easily.

### SIMPLIFIED OPERATIONS

- Using a single vendor for devices, connectivity and support, ensures your business-critical functionality.
- Our staff proactively monitors network performance to deliver a guaranteed 99.9% connectivity uptime.

## Supporting Your Success

We are committed to your success with these additional value added options:

- 5G Data Plans** – 5G has arrived. Stay on top of this cutting edge technology with our Premium offering.
